I would like to voice my to be hurd !I spend several hours in my truck as I travel around the mid west and east coast and is why I switched to XM raído so I and can pick what I would like to hear in my raído. weather it is sports, music, or news and I have several to pick from because I am the program director. Besides I do not have to lission to 10 min. worth of adds between songs. that is why I switched to XM raído. and when I am at home I do lission to WBBM raído. But there signal is not nation wide.

Thank You
